Part 52 – Administrative Advices

General Law

[52-0000]

An administrative advice is a noting recorded in the relevant register to provide further or miscellaneous information and particulars about land as authorised by legislation. Authority to enter these advices in the registers is contained in ss. 29 and 34 of the *Land Title Act 1994* and ss. 280 and 281 of the *Land Act 1994*. A number of other Acts also provide authority for notices to be provided to the Registrar with information or particulars for entry in the registers.

The purpose of these notices is to advise interested parties that a matter authorised under the relevant Act exists. These notices are entered as administrative advices on the relevant title for the lot that is the subject of the notice.

The entry of an administrative advice may prevent further dealings with the land being registered. This is determined by the legislation authorising the entry of the administrative advice.

The fee payable for the deposit of a dealing to record or remove an administrative advice will apply unless there is a statutory exemption.

Please note that administrative advices mentioned in this Part and throughout this Manual are not an exhaustive list of all administrative advices.

Administrative Advices Which May Prevent Registration of Dealings

Notice under Miscellaneous Legislation

[52-0005]

Entered on title – ADMIN NOTING.

In some instances the legislation under which a notice of this type was entered may prevent registration of a dealing. For general information about notices under miscellaneous legislation see [52-0280].

The following notice is one example that may prevent registration of a dealing.

Notice of Suspension of Attorney's Powers under the *Public Guardian Act 2014*

A Notice of Suspension is given to the Registrar where the Public Guardian, under the provisions of the Public Guardian Act, temporarily suspends the powers of an attorney for a person with impaired decision making capacity (the person) and appoints the Public Trustee as attorney for financial matters for the person during the period of suspension.

A *Form 14 – General Request* with a copy of the Notice of Suspension is required to be deposited. The Notice of Suspension also contains details of the appointment of the Public Trustee as attorney. The Notice of Suspension is recorded on the relevant title.

The notice will remain on the title until the person is no longer the holder of the interest.

²Caveator's Notice of Action under the *Land Title Act 1994*

[52-0010]

Entered on title – NTCE OF ACTN.

Refer to Part 11 - Caveat (esp. [11-0130] for General Law, [11-2040] for Practice, Example 7 and the Guide to completion at [11-4100]).

No deposit fee is payable.

Removal

If a dealing being registered has the effect of removing a caveat from the title, the Registrar will also remove any Notice of Action that is associated with that caveat.

²Caveatee's Notice under s. 126(2) of the *Land Title Act 1994*

[52-0020]

Entered on title – NOTICE.

Refer to Part 11 - Caveat (esp. [11-0120] for General Law, [11-2035] for Practice, Example 6 and the Guide to completion at [11-4100]).

No deposit fee is payable.

Removal

When a dealing being registered has the effect of removing a caveat from title, the Registrar will also remove any caveatee's notice which is associated with the caveat.

¹Notice of Pecuniary Penalty Order under the *Criminal Proceeds Confiscation Act 2002*

[52-0030]

Entered on title – CONF PROFITS.

Section 197 of the Criminal Proceeds Confiscation Act authorises Queensland courts to levy pecuniary penalty orders against persons. Formerly, similar provisions were included in s. 101 of the now repealed *Crimes (Confiscation) Act 1989* (the repealed Act). Pecuniary penalty orders have the effect of charging property with the payment of money. Upon production of evidence of a penalty order from the courts, the Registrar entered an administrative advice in the register.

Section 40 of the repealed Act included authority for Queensland courts to make orders restraining dealings with property. Upon production of evidence from the court, the Registrar entered an administrative advice in the register. This practice no longer applies. The current procedure is for such orders to be filed with a caveat (see part 11, esp. [11-0066]).

¹Notice of Restraining Order under the *Drugs Misuse Act 1986*

[52-0040]

Entered on title – RESTR ORDER.

Restraining orders under the Drugs Misuse Act authorised by courts were issued with a view to impede a person from dealing with a property. Upon production of such a court order, the Registrar entered an administrative advice in the land registry.

This practice no longer applies. The current procedure is for such orders to be filed with a caveat (see part 11, esp. [11-0066]).

Registrar of Titles Noting under the *Land Title Act 1994* or *Land Act 1994*

[52-0050]

Entered on title – RT NOTING.

Section 34 of the Land Title Act allows the Registrar to keep information that the Registrar considers necessary or desirable for the effective or efficient operation of the register. Similar provisions are also included in the Water Act, and in s. 281 of the Land Act. Such information may include information given to the Registrar by another entity.

At the discretion of the Registrar, a noting will be recorded against a title for matters that are considered pertinent to the register.

[52-0055] deleted

Notices under the *Water Act 2000*

^{2, 3}Water Allocation Notice under the *Water Act 2000*

[52-0060]

Entered on title – 73B NOTICE.

Under the provisions of the Water Act (the Act) when the chief executive of the department administering the Act prepares a water entitlement notice (WEN), the chief executive must also publish a notice stating where copies of the draft WEN are available. The public notice makes provision for existing interest holders to notify the chief executive that they intend to take action to have their interest recorded on the water allocations register (s. 73(1)(b) of the Act).

When a WEN commences, any notices which have been given to the chief executive under s. 73(1)(b) of the Act are entered by the Registrar of Water Allocations against the affected water allocation titles. Such notices remain effective until the earlier of:

- sixty business days from the date that the water allocation is recorded on the water allocation register; or
- the recording on the register of the interest mentioned in the notice.

During its currency, a notice may impede registration of dealings (s. 146A of the Act).

Removal

Notices under s. 73(1)(b) of the Act will appear on searches of affected titles for a period of one hundred days with a status of 'current', unless they are withdrawn or otherwise accounted for. The period after the expiry of sixty business days is a grace period, which is allowed for administrative purposes.

Any notice which remains on the water allocation title as current after the expiry of one hundred days from its date of lodgement will be automatically removed from title. Such notices once removed will only appear in historical searches, with a 'not current' status.

^{2,3}Notice of Distribution Operations Licence

[52-0065]

Entered on title – DIST OPS LIC

Where a distribution operations licence (DOL) applies to a water allocation, s. 153(2) of the *Water Act 2000* makes provision for the chief executive of the administering department to give notice to the Registrar that the water allocation is one to which a DOL applies. Section 1007(3) of the Act requires the Registrar to enter notices given under s. 153(2) against the titles to affected water allocations.

All transfers, transmission by death applications and leases lodged over water allocation titles the subject of a DOL must be accompanied by an acknowledgement notice (s. 170(6) Water Act).

Removal

If a water allocation is one to which a DOL no longer applies, the chief executive must notify the Registrar (s. 154(4) of the Act). The Registrar must remove the DOL notice from affected water allocations (s. 1007(4) of the Act).

Notice of Appointment of Administrator under the *Guardianship and Administration Act 2000*

[52-0070]

Entered on title – APPT ADMIN.

Tribunal Orders

Under the provisions of the Guardianship and Administration Act (the Act), the Queensland Civil and Administrative Tribunal may appoint an administrator for a matter involving an interest in land of a person with impaired decision making capacity. The administrator must notify the Registrar (s. 21 of the Act) and provide a copy of the Tribunal's order.

Subject to specific terms which may be included in the Tribunal's Order, a notice will affect transactions in the name of the person and signed during the period of the order. Documents executed during the currency of the advice will be scrutinised to ensure that they are signed by the administrator, or sanctioned by the Tribunal. The notice will remain recorded on the title until the interest is no longer held by the person.

Sections 27 and 32A of the Act provide mechanisms for notifying the Registrar of changes to the authority of appointed administrator/s.

Court Orders

Chapter 11 Part 3 of the Act also authorises Queensland's District Court and Supreme Court to appoint an administrator. The notification must be accompanied by a copy of the court issued order (see [60-1030] for information about depositing supporting documentation).

Removal

The Registrar will remove an advice under the Act from title when the interest affected is disposed of. Until such time as the interest is disposed of, any change, ending or revocation of appointment under the Act may be recorded on title if requested and the request is accompanied by a Tribunal/court order.

²Priority Notice, Extension of Priority Notice and Withdrawal of Priority Notice under the *Land Title Act 1994*

[52-0080]

Entered on title – PRIORITY NTC.

XTD PRTY NTC

W/D PRTY NTC

See part 23 – Priority Notice, Extension of Priority Notice and Withdrawal of Priority Notice.

¹Notice of Road Licence under the *Land Act 1994*

[52-0090]

Entered on title – ROAD LICENCE

Where a road licence has issued under the provisions of s. 103(1)(a) of the Land Act and it is not the subject of a registered covenant, a notation is entered on the title for the road licence and the title of the adjoining land.

Transfer

To comply with the Land Act, the road licence and the adjoining land must remain in the same ownership. Therefore, where the ownership of the adjoining land is changing (for example by a transfer, record of death or a transmission application), the following applies:

- (a) the transfer or other form must also include the details of the road licence; or
- (b) the transfer or other form must be accompanied by the appropriate form to also change the ownership of the road licence, to be registered at the same time.

See [1-2095] for information about a transfer of a road licence.

Plan of Subdivision

Where a plan of subdivision of adjoining land is lodged and the relevant title is noted with a road licence administrative advice, the following will apply.

- the noting will not prevent registration of the plan.
- the noting will be brought forward to only the new title for every lot that adjoins/abuts the road licence.
- the road licence must be allocated on the back of the plan in a similar manner as other administrative advices.

Intended lodgers should address the issue of the road licence with State Land Asset Management prior to lodging the plan, otherwise any following transfer may experience lengthy delays when lodged.

Administrative Advices Which Do Not Prevent Registration of Dealing

¹Notice of Intention to Resume under the *Acquisition of Land Act 1967*

[52-0100]

Entered on title – NOTC INT RES.

A constructing authority, within the meaning of the Acquisition of Land Act (the Act), may resume freehold land, an interest in freehold land or native title rights and interests in State land, for the purposes set out in the Schedule to the Act. The Act defines a constructing authority as the State, a local government, or a person authorised by an Act to take land for any purpose.

When a constructing authority proposes to resume, it shall serve a notice of intention to resume (NIR) upon any and every person who, to the knowledge of the constructing authority:

- (a) will be entitled to claim compensation under the Act in respect of the taking of the land concerned; or
- (b) is a mortgagee of the land (s. 7(1) of the Act).

²If the subject of the notice is freehold land or an interest in freehold land, the constructing authority shall forward a copy of the notice to the Registrar for noting on the relevant title (s. 7(4) of the Act). The notice must specify the purpose for which the land to be taken is required, and state the description of the land.

³If the subject of the notice is native title rights and interests in State land, the relevant area of the department administering the Act will forward a copy of the notice to the Registrar for noting on the title. In these cases s. 280 of the *Land Act 1994* is relied on as it provides discretionary powers for the chief executive to record anything that the chief executive considers to be recorded to ensure the registers are usable records of State Land.

Notices of intention to resume are also authorised by provisions included in the *Transport Planning and Coordination Act 1994* and the *State Development and Public Works Organisation Act 1971*. Notices under these Acts may relate to non-freehold land.

A NIR from a constructing authority (usually the Department of Transport and Main Roads or a local government) may contain preliminary information identifying the area of land that is to be taken. Typically this is a design plan and the NIR will refer to the area shown on that plan but subject to final design and survey. The first “taking of land” notice which is published in the government gazette will often also refer to the area taken as shown on the design plan. At a later date when the survey is completed, an amending “taking of land” notice is published in the government gazette. The second notice forms the basis of the resumption document lodged in the registry.

Details of the resumption, including the purpose are given in a taking of land/taking of easement notice made by the constructing authority and published in the government gazette. The notice determines the name of the constructing authority that is recorded on the title and the manner in which the taken land is to be held.

If the registered owner lodges a plan of subdivision following the deposit of an NIR the surveyor must allocate which lots are affected by the notice. The Registrar will record the NIR against the relevant titles created for those lots.

Removal

If a constructing authority amends or discontinues a resumption action, it is required to file with the land registry a notice of the amendment or discontinuance (s. 7(4A) of the Act).

The Registrar will also remove notices of intention to resume from the register when recording a resumption which fully satisfies the requirements of a constructing authority.

¹Notice under the *River Improvement Trust Act 1940*

[52-0110]

Entered on title – RIV IMP NOT.

Section 7 of the River Improvement Trust Act (the Act) authorises the creation of River Improvement Trusts as bodies corporate. The individual bodies corporate are identified and named in the regulations to the Act. Section 11 of the Act authorises a trust for a river improvement area to issue an improvement notice. The notice is in relation to river banks, and is served on the occupier and the owner of affected land.

Section 11A of the Act requires a trust to notify the Registrar that an improvement notice has been issued, or ceased to subsist or to operate.

¹Notice under the *Land Valuation Act 2010*

[52-0115]

Entered on title – DSI/OFFSET.

Under s. 258 of the Land Valuation Act the Valuer-General may notify the Registrar that a site improvement deduction applies to the land. If notified under this provision the Registrar will enter a noting against the relevant titles.

Under s. 282 of the Land Valuation Act the Valuer-General may notify the Registrar that an offsets allowance applies to the land. If notified under this provision the Registrar will enter a noting against the relevant titles.

A deposit fee is not applicable.

Removal

On notification by the Valuer-General, the Registrar must remove the notices under the Land Valuation Act from the register (ss. 259 and 283).

A deposit fee is not applicable.

¹Notice of Owner Builder Permit under the *Queensland Building and Construction Commission Act 1991*

[52-0120]

Entered on title – OWNER BUILDR.

Where the Queensland Building and Construction Commission (the Commission) has issued a permit to the owner of land to carry out building work, the Commission must notify the Registrar of the granting of such permit (s. 46(1) of the Act). If the Commission becomes aware that building work has been carried out by the land owner when a permit should have been, but was not obtained under s. 44 of the Act, it must also notify the Registrar of the carrying out of the building work without a permit (s. 46(2) of the Act).

Removal

Notices under s. 46(1) or (2) of the Act will be removed by the Registrar on the expiry of seven years from the initial entry in the Register (s. 46(4) of the Act) when another dealing is being registered.

¹Notice of Carbon Farming Initiative Project under the *Carbon Credits (Carbon Farming Initiative) Act 2011 (Cth)*

[52-0125]

Entered on title – CFI NOTING.

The Carbon Credits (Carbon Farming Initiative) Act makes provision for the administrator of a Commonwealth scheme to deposit an administrative advice to record any of the following:

- a declaration of an eligible carbon offset project;
- a variation;
- a declaration that a project is subject to a carbon maintenance program.

A deposit fee is applicable.

Item 6 should include wording to identify the specific purpose of the administrative advice.

¹Notice of Contaminated Land under the *Environmental Protection Act 1994*

[52-0130]

Entered on title – CONTAM LAND.

The Environmental Protection Act (the Act) makes provision for the administering authority to maintain various registers. One such register is the contaminated land register.

Section 379 of the Act requires the administering authority to give written notice to the Registrar of particulars of land that has been recorded in the contaminated land register.

The administering authority must also notify the Registrar when a change is made to the particulars recorded about land recorded in the contaminated land register (s. 386 of the Act).

Removal

When land is removed from the contaminated land register, the administering authority must notify the Registrar (s. 386 of the Act).

¹Notice of Agreement under the *Nature Conservation Act 1992*

[52-0140]

Entered on title – NATURE REFUGE NOTING.

Under s. 45 of the Nature Conservation Act (the Act), a land-holder and the minister administering the Act can enter into an agreement in relation to the land-holder's land.

If a conservation agreement is entered into in relation to specified private land (which is defined as land other than State land), then the chief executive of the administering authority must give the Registrar notice of the agreement (s. 134 of the Act).

A nature refuge noting will be recorded on a title in the Easements, Encumbrances and Interests schedule.

A conservation agreement that is recorded by the Registrar is binding on the landholder, the landholder's successors in title and other persons who have an interest in the title (s. 51 of the Act).

A deposit fee is not applicable.

Removal

When a conservation agreement is terminated, the chief executive must notify the Registrar (s. 134(4) of the Act). The Registrar must remove the particulars of the land from the Registrar's records (s. 134(5) of the Act).

¹Notice of an Enforcement Order under the *Nature Conservation Act 1992*

[52-0145]

Entered on title – NAT ENF ORD.

Under s. 173J of the Nature Conservation Act (the Act), the chief executive, after receiving notification under s. 173I(2) of the Act that an enforcement order has been made, must give the Registrar written notice that the order has been made (for recording in the register).

A deposit fee is not applicable.

Removal

Under s. 173L of the Act, the Registrar must remove the notice if asked to do so by the chief executive.

¹Notice of Site Registered under the *Queensland Heritage Act 1992*

[52-0150]

Entered on title – HERITAGE SITE.

Removal

Section 174 of the Act provides for the Registrar to record a removal or ending if the chief executive gives notice of such removal or ending.

¹Notice of Access Right under the *Sugar Industry Act 1999*

[52-0160]

For a **permit to pass** the notice must:

- state the permit to pass has been granted; and
- identify the parties to the permit and the land affected; and
- be accompanied by a copy of the permit to pass.

For a **cane railway easement** the notice must:

- state the cane railway easement has been granted; and
- identify the parties to the easement and the land affected.

Alternatively, a cane railway easement may be notified to the Registrar by lodging for registration a properly completed *Form 9 – Easement*.

A notice of an access right granted under a repealed Act is shown on a search of a title as 'TRAM EASE'. A notice of an access right granted under the Sugar Industry Act is shown on the title as 'ACCESS RIGHT'.

¹Notice of Relinquishment or Cancellation of Sugar Access Right

[52-0165]

Relinquishment

Where an access right is relinquished by the grantee, a request to remove the administrative advice may be lodged in the land registry. A copy of the relinquishment document must be deposited with the request (s. 70(2) or s. 71(2) of *Sugar Industry Act 1999*).

Cancellation by Agreement

Where a land-holder whose land is affected by an access right and the holder of the access right has cancelled the right by agreement under s. 72(1) of the Sugar Industry Act, a request to cancel the administrative advice may be lodged in the land registry. Evidence of the agreement must be deposited with the request.

Note – Enquiries relating to an administrative advice should be directed to the relevant authority or department administering the legislation or issuing the notice.

The registry will not provide any further detail other than that disclosed on the notice.

Recording an Administrative Advice

[52-2010]

Where a notice is to be given to the Registrar under the provisions of an Act a *Form 14 – General Request* must be lodged, unless another form is appropriate, for example a *Priority Notice Form*. The form must identify all lots the subject of the notice and details of the legislative authority. Where required, the request must be accompanied by any relevant supporting documentation. On lodgement, the notice is allocated a dealing number and entered against the relevant title/s.

Certain administrative advices are entered by or on behalf of the person taking action. Examples of these include, but are not limited to:

- notices to the Registrar by a Caveator pursuant to s. 126(4)(b) of the *Land Title Act 1994* (Caveator’s Notice of Action)
- notices to the Registrar by a Caveatee pursuant to s. 126(2) of the *Land Title Act 1994* (Caveatee’s Notice to Registrar)
- notices of appointment of an administrator under the *Guardianship and Administration Act 2000*

- notices of a Conduct and Compensation Agreement under the *Mineral and Energy Resources (Common Provisions) Act 2014*
- notices of an Opt-Out Agreement under the *Mineral and Energy Resources (Common Provisions) Act 2014*
- notices of an Enforcement Order or Interim Enforcement Order under the *Planning Act 2016*

Other administrative advices must be entered by or on behalf of the relevant government department, agency or statutory authority or another entity authorised under the relevant legislation.

A duty notation is not required but a deposit fee applies unless there is a statutory or other exemption.

Removal of an Administrative Advice

[52-2020]

An administrative advice may only be removed by the lodgement of a Form 14 – Request to remove administrative advice, unless otherwise provided for by legislation. An authorised delegate of the authority that lodged the original administrative advice notice must execute the Form 14. Where necessary, supporting evidence must also be deposited.

The dealing number that was allocated to the administrative advice must be stated in the request.

A duty notation is not required but a deposit fee applies unless there is a statutory exemption.
